

HVAC Job Description

Larsen Plumbing and Heating, Inc. has been in business for over 50 years, specializing in Commercial and Residential Plumbing and HVAC installation and service. We have career opportunities available for HVAC Service Technicians. Technicians will perform duties related to the overall installation, operation and maintenance of Heating, Venting and Air Conditioning equipment.

We are looking to add technicians that have a positive attitude, a strong focus on customer service, a good work ethic and a desire to learn. A Journeyman license is preferred. We offer competitive pay and benefits. Due to our expansive growth, we are hiring HVAC Technicians to join our team!

Benefits Include:

- Medical, Dental and Vision plans
- 401K with company contribution
- Paid vacation after one year of full-time employment
- Short and Long Term Disability Plans Free to Employees
- 6 Paid Holidays each year
- Company provided cell phone and tools
- Company provided vehicle depending on position
- Uniform allowance
- Wages and transportation paid for continuing education classes

Position is full time, Monday through Friday 7:00 – 4:30pm

Wage Detail: \$17 - \$30 an hour – Based on Experience

Must have a valid driver's license.

All applicants will be subject to a pre-employment drug screen and background check.
